BLAISE KOLODYCHUK PRESENTS: NANDI BEAR TENANTS

Well, you guys gotta use your brains more.

What do you mean?

Figure out his motives! What on Earth would a giant robot with a boy's face want to rob a bank for? And from what I hear, he's been robbing banks all over the place.. He must have tons of money!

Good question.. But how do we find out?

I guess we could ask him... but how would we contact him?

Okay guys, I'll shoot a video of you where you can call him out.

But how do you know he will see it?

Trust me... I think everyone is watching my videos at this point! I'll start the stream now!

Okay Zor, we know you are out there somewhere, and we know you have been robbing banks all over the country!

Private message us with a location and we will be there for a final showdown! Don't be chicken! We're waiting!

I hope that works!

Now we just gotta wait to see if he sends us.....

BEEP!

There he is now! I told you I was popular! He says to meet him behind the Alpine Steak and Lounge, at sundown!

Tell him - WE ACCEPT.

Back to the Temple of Tamameowmas!

NANDI BEAR?!

I live in your house. Basically I'm a Tenant. It's lovely.

Why are you in this Ghost Tank? And why are you hooked up to that machine?

Someone connected with the Ghost Dimension trapped me in this tank. They needed Ghost energy to operate that machine.

But what does that machine do?

Whatever it does, it can't be good. Captain Trash, help me get her out of this Ghost Tank before they find out we broke in.

But unfortunately...

Too late Veltrax. You have been discovered!

You filth! Why did you capture Nandi Bear?

In good time my friend.. Guards, take them to the special interrogation room.

And our heroes are led away defeated...

You did this, didn't you Nandi? You call these so called heroes here to rescue you. Too bad for you it won't work.

You are not a very nice man. If I was out of this tank I would give you a very, very nasty time out.

Sounds awful.

Meanwhile, Captain Trash and Veltrax the Wolvcha are tied upside down in the special interrogation room!

What makes this room special? Maybe the RAZOR SHARKS swimming around underneath them!

So why are they called Razor Sharks?

I'm glad you asked. It's the razor sharp knives I taped to their bodies that gives them the special moniker.

Doesn't the tape come off in the water?

It's special water proof tape. I bought it on the internet.

Never Mind.

How about you tell us why you have the ghost of Nandi Bear hooked up to that crazy machine?

Feed you to the Sharks naturally. Any last requests?

So what do you plan to do with us you maniac?

I suppose it wouldn't hurt to tell you, seeing as how you will soon be shark food.. That 'crazy machine' as you call it is an interdimensional portal that goes all the way across the Galaxy to Animole world. It's a very far distance, and that's why we needed the power of a ghost to operate it.

Why do you need a portal to Animole world?

Wouldn't you like to know...

Yes I would. That's why I asked you!

Oh well.. My boss needed a portal built so he could unleash his Army of Ants on planet Earth and take over the world!

Your Boss? Who's that? Also aren't the Military Armadillos good guys? Also if you are Sgt. Stripe, aren't you also some kind of hero and not a diabolical maniac?!?

Too many questions! Come on men, lets leave them to swim with the fishes!

PRESS THIS BUTTON TO VERY SLOWLY LOWER PRISONERS INTO TANK

As Sgt. Stripe and his men leave he presses a button to start lowering them into the Razor Shark infested water!

What do you know! Sharks aren't even fish!!

Actually they are, Veltrax. I think you are thinking of dolphins.

You are totally right, Sharks are fish and dolphins are mammals. I hope he didn't hear me, I would hate to have sounded like an idiot.

It's not going to matter much soon when these Razor Sharks eat us for dinner.

You are right, but I still hope my last words weren't some kind of mix up about sharks and dolphins.

I see your problem. I don't think he heard. That door is pretty thick.

Thanks old friend.
